NEW SWANSEA MOSQUE PROJECT

All praises are due to Allah the Lord of the Worlds, the most Gracious, the most Merciful, peace and blessing be upon our beloved Prophet Muhammad (s.a.s), the Last and Final Messenger of Allah

Al-humduillah, Swansea Mosque has been serving the Muslim Community since 1983, providing a range of essential services: five times daily Salah; Jumma & Eid Prayers; Ramadhan (Taraweeh; Iftaar; Itekaf); Children's education (Quran and Islamic Studies); Funeral services; social welfare programmes and Dawah activities. Our current facilities are not able to cope with the growing needs of the Community, we cannot provide adequate facilities for: salah (prayers); children's & adult

education, welfare programs; counselling; sisters activities or dawah programmes.

Our beloved Prophet Muhammed (sas) said:

"Whoever builds a Mosque, seeking the pleasure of Allah, Allah shall build a house for him in Paradise" (Hadith)

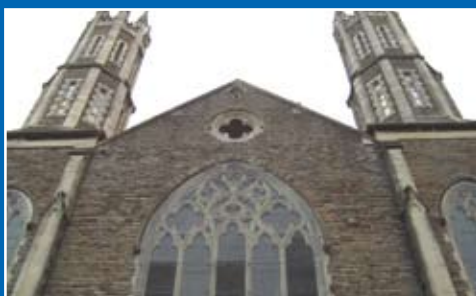

Al-humduillah work has started on developing our new Mosque, located opposite our existing Mosque. We are renovating the former United Reform Church building, (one of the largest ecclesiastical buildings in Swansea), a building which has been derelict for more than 25 years. The new mosque will provide much needed space and functionality to support the growing needs of the community.

The new Mosque will have large prayer halls; purpose built wudu facilities; funeral rooms;

classrooms; library, dedicated sister's sections; recreational facilities; and multipurpose hall.

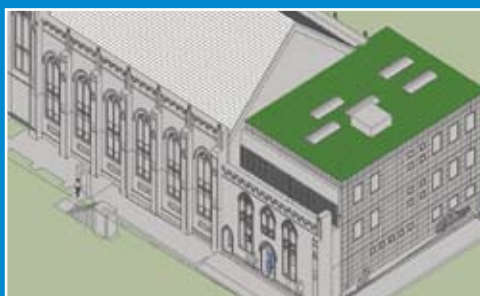

The new space has been designed to fully utilise the centre for community use, special care has been given to provide facilities for youth, sisters, and elderly. We have endeavoured to ensure that the building has full disability access. Our vision is to establish a centre that caters for the spiritual, educational, social and physical development of the community.

The building has been designed to maximize the use of space, be energy efficient with the lowest possible carbon print. The renovation will help uplift the area and provide a much needed resource for the whole community use. Further details and progress reports are available on our website www.swanseamosque.org

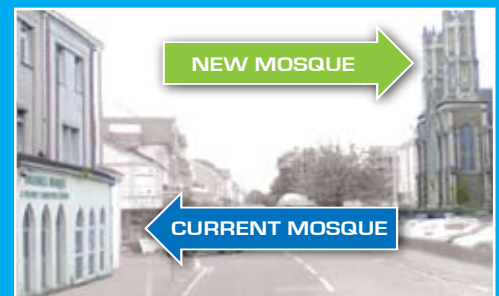

"The Houses of Allah shall be visited and maintained by such as believe in Allah and the Last Day, who establish regular prayer, practice regular charity, and fear none except Allah. It is they who are expected to follow the true guidance."

[Qur'an 9:17-18]

"Those who spend their wealth (in charity) by night and by day, in secret and in public will have their reward with their Lord. On them shall be no fear nor shall they grieve."

[Qur'an, 2:274]

***The Prophet (sas) said:
"The believer's shade on the Day of Resurrection will be Charity."***
